

PUTARURU JUNIOR NETBALL - 2024 SEASON

Dear Parents/Caregivers

Please find our teams below for this season. A huge thank you to our parents that stepped up to help with coaching and/or supervision. We couldn't do it without your support. We are still needing some help for our Year 5&6 team if anyone is willing please let us know.

The Netball Season will begin on the first Friday of Term 2 (3rd May) and will continue for the duration of the term.

If you can't make your game or will be running late, please let your coach know if advance.

Putaruru Netball has advised that we can play our Year 4 players up if we need the numbers, or we can use our Year 5s in our Year 3/4 team as WD or WA. Their other suggestion was to let control know that we need extra players, as they have players that are always keen to play an extra game.

If you have any questions, please telephone the school office.

Regards
Kim & Shiree

LICHFIELD FUTURE

FERNS

YEARS 1 & 2
